

OFFICE
AREA: 9,015 SF

This architectural floor plan depicts an office space with a total area of 9,015 square feet. The layout is characterized by a large, central blue-shaded area, likely representing an open-plan office or a common space. Surrounding this central area are several rooms and corridors. To the left, there is a yellow-shaded area containing a staircase and a small office space. To the right, a pink-shaded area with a grid pattern contains a reception desk, a waiting area, and a staircase. The plan also shows various doors, windows, and structural elements like walls and columns. The overall design is functional and modern, with a clear distinction between different functional zones.
